

PALM BEACH COUNTY CHIROPRACTIC SOCIETY SPONSORSHIP APPLICATION

Thank you for your interest in becoming a sponsor of the Palm Beach County Chiropractic Society. The goal of the Palm Beach County Chiropractic Society is to preserve, promote, protect and advance the chiropractic profession. We operate as a political grassroots society chartered by The Florida Chiropractic Association (FCA), the largest Chiropractic association in the country.

As a Sponsor of our Society, your business will have the opportunity to network and market your services to some of the most dynamic chiropractors in Palm Beach County (on our email list*). Marketing and relationship building opportunities are provided through membership meetings, our newsletter, our website, all depending on the level of sponsorship.

The meetings provide an excellent opportunity for face to face networking of Society members. The PBCCS is a sponsor driven organization. Your investment in the Palm Beach County Chiropractic Society is a commitment to support our profession. In exchange, we will provide avenues for your business to market and network our members on our email list. We strongly encourage members to support those who support the Society.

Application for Sponsorship does not guarantee a sponsorship. Sponsorships are limited and reviewed by our Board. You will be notified of your sponsorship opportunity within thirty (30) days. (Memberships are eligible for renewal annually).

Please make checks payable to Palm Beach County Chiropractic Society.
